INCOMPLETE GRADE PETITION FOR WEINBERG COLLEGE CLASSES

An incomplete grade in a Weinberg course is only appropriate for students who cannot complete a course because of unforeseen circumstances, typically in cases of incapacitating illness or a family emergency. To qualify for an incomplete, a student must have substantially engaged in the course throughout the entire quarter and be able to pass the course when the missing assessments are completed.

Incomplete Grade Supported by Accommodations or for Health-Related Reasons
Students who request incomplete grades for physical health reasons must go to Searle Health Center for treatment or provide their medical records to Searle for review. The unforeseen illness must be severe enough to significantly impact a student’s ability to complete assignments or exams. Students requesting incomplete grades without verified documentation from Searle are not guaranteed approval.

Students with accommodations authorized by AccessibleNU for a documented disability should communicate with their instructors and ANU to discuss whether an incomplete grade is appropriate.

Other Unforeseen Circumstances
Students who request incomplete grades for other unforeseen circumstances must communicate the reason and provide documentation to substantiate the occurrence.

Petition Process
Any student who desires an incomplete must:
1. Request an incomplete grade from their instructor and gain their approval
2. Complete this petition and obtain a modified due date from the instructor for the outstanding work
3. Communicate with their college adviser
4. Submit the completed petition and all substantiating documentation to 1908 Sheridan Rd. for approval by the Assistant Dean of Academic Standing

Deadline to Complete Work
Students must complete the outstanding work by the earliest of the following dates:
1. The modified extension provided by the instructor or
2. Before the end of the next quarter in which the student is in residence in any school of Northwestern or
3. Within one year after the course was offered if the student is not in residence

If the incomplete grade is not converted to a quality grade within one calendar year, the grade will be changed to an F per University policy.

PARTIALLY COMPLETED PETITIONS WILL NOT BE PROCESSED.
